Palermo  
20th-23th  
April, 2017

In an agreement between the City of Palermo Corporation, the University of the Studies, the executive branch of the Sicily Government and together with a broad local partnership, the National and Mediterranean countries, Idimed promotes **the third edition of the Food Biodiversity Fair**. This comes in the period, which marks the 60th anniversary of the Treaties of Rome, considered the starting point of the Mediterranean Europe.

The goal of the event is to show the biodiversity of our food culture and promote sustainable, healthy, law compliant and environmentally friendly food production.

This shared project, initiated by Sicily and addressed to the whole world, focusses on research, technology and innovation. The Fair taking place from the 20th until the 23rd of April in three prestigious locations, will host scientific conferences, seminars, Mediterranean food and wine exhibitions, taste workshops, thematic exhibitions and technical workshops aimed at promoting effective territorial development strategies, such as the planning of new joint initiatives.

Over the course of four days we will cover following topics:

**LEGISLATION, NOTICES, OPPORTUNITY AND STRATEGY FOR THE DEVELOPMENT OF MEDITERRANEAN BIODIVERSITY**

**20th April - Palazzo dei Normanni at 10.00,**  
Sala Mattarella, piazza del Parlamento, 1

**MEDITERRANEAN FOOD BIODIVERSITY BETWEEN THE SEA AND THE LAND**

**21st April - Palermo, Palazzo Steri at 11.00**  
Sala delle Capriate, piazza Marina, 61

**FOOD SAFETY AND PRODUCTION SUPPLY CHAINS**

**22nd April - Palermo, Orto Botanico at 10.00**  
Sala Lanza, via Lincoln, 2

**SUSTAINABLE LOCAL DEVELOPMENT: AGRICULTURE, NATURE, CULTURE AND HEALTH**

**23rd April - Palermo, Orto Botanico at 11.00**  
Sala Lanza, via Lincoln, 2

**At the fair there will be educational tasting workshops conducted by leading food experts:**

- *Mediterranean biodiversity on the table*
- *Extra virgin olive oil and fish*
- *Food school*
- *Rediscovery of bread and pasta*
- *Sicilian Olive Oil List*
- *Food safety: rules and procedures*
